# ABOUT

## Society for Brain Mapping and Therapeutics

SBMT was founded in 2004, as International Brain Mapping & Intra-operative Surgical Planning Society (IBMISPS). The name was aimed at the international nature of the organization, its clinical and basic science approach toward brain mapping and image guided surgery/therapeutics.

It promotes policies that support rapid, safe, and cost-effective translation of new technologies (diagnostics and therapeutics) into clinical neuroscience (Brain, Spine and Mental Health)

## Neuroscience20

N20 aims to contribute to President Biden's Mental Health initiatives and president Obama's BRAIN initiative to expand action on the current and upcoming initiatives across the G20 nations, bringing the finest Policymakers, scientists, engineers, investors physicians, surgeons and universities and institutes of global relevance across the globe in order to rapidly introduce clinical solutions for neurological disorders, which cost the world economy hundreds of billions of dollars annually.

The Neuroscience20 Summit was launched in 2014 by The Society for Brain Mapping and Therapeutics (SBMT) initiative.
